**Berry Marsh Farm**  
parking for stall holders  
& entertainers

pedestrian  
access

free parking

vehicle  
access

We hope you have a fun day exploring the village seeing all the amazing scarecrows! Things are a little different this year, but our volunteers will direct you to the free parking in the field just beyond the Jubilee Hall, and the map will help you find the location and times of all the events. Take a free tractor ride around the village from the Jubilee Hall and enjoy all the events and activities.

You can find accessible toilets and a First Aid / lost children station at the Jubilee Hall. There will also be a Portaloo at the church too.
